Join us as we recall our ancestors who settled this tract of land in 1915.  
They believed a quality Christian education was of utmost importance.  
Because of their vision and by God's blessing, we are now in our 109<sup>th</sup> year of  
educating and ministering to children in our peaceful country setting!

Donations may be made to the school via check or  
through PayPal on our website:

or bring us an item for the auction!

***Thank you for your support!***

***All activities will be held outside.
