***Please also have winter clothes ready for when winter comes. Each child will need a coat with working zipper and hood, a warm hat, waterproof gloves, and waterproof boots. Snow pants are also necessary when it snows, and they are also great for wind protection. We go outside every day! It is suggested that you **send a hat and gloves that can stay at school**, so your child will always have them. Check the thrift stores! We will send your child's things home periodically for washing! 😊
