Thank you, parents for keeping your children home when they have symptoms such as fevers, bad coughs, vomiting, sore throats, and unusual fatigue. Please call your doctor to see if he/she recommends your child be tested for Covid. We are not assuming every illness is Covid, but we do know some of our students have in fact had it, so we need to continue to be careful to avoid spreading it here at school.

Please remember: if any members of your family currently have Covid-19, or your child has been exposed to someone with Covid, please do not send them to school!! Please consult your doctor and call us, so we can determine when it is safe for your child to return. Thanks for keeping us in the loop so that we can guard against a spread of the virus at school!
